To Whom It May Concern,

Re: EBC - Recommendation

I am writing with regards to the above mentioned subject. I can confirm that from July 2017 to date Kyagalanyi Coffee Ltd. has been working with EBC as a recruitment and staffing solutions service provider.

EBC has provided us with both direct hires and short term outsourcing solutions for temporary positions within our organization. They have proved to be both reliable and professional regarding their services and in addition they have been extremely flexible, a trait that is very important due to the seasonal nature of our operation.

Their services have been reasonably priced but more importantly they have added value and provided us with strong candidates during recruitment processes; candidates who have now become key parts of our teams.

I therefore can recommend EBC for any similar services.

Yours Sincerely
